

# Friends for Good Health

## Annual Global Humanitarian

**Ambassador Award**

**Presented To**

**DR. BART FISHER** 

In acknowledgement of many years of your outstanding service, dedication and inspirational commitment to improve the quality of life for our global community we are presenting you with this award. You are a shining beacon of light for all who have come to know and admire you. With all our respect and admiration for your exemplary service, outstanding leadership, honest dedication, hard work, support and continuing commitment to the community. We honor you today with special heartfelt thanks for your timeless devotion for the betterment of the worldwide community for Global Humanitarian Day in **June 2020** at our annual **Friends for Good Health** Ambassador Award celebration.

In honour of your outstanding performance, commitment, contribution, dedication, determination and devotion towards humanitarian services during COVID-19. We the Governing Global Council and Friends for Good Health hereby honor you with this recognition as an **International Ambassador of Humanity**.
